It was sought to create processes by which the complex interests in society may express their will and affect their purposes. We, in the United States, felt sure that we possessed that instrument. Ours was a Constitutional Representative Government, carrying within it the possibility of its own change and modification, thus being an adequate agency for peaceful social progress. We were proud of this fact. This instrument has been brutally assaulted. It has been badly damaged, if not completely destroyed. The story of this assault is contained in the following pages. The characters of the assailants, the forces and interests back of them, the nature...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affect the way I really believe.
