Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Each essay treats a narrative- novel, novella, or novel poem- by a single author in light of conventions of closure and of gender in historical context. The contributors recover forgotten texts, revise our understanding of women writers once successful, but now somewhat marginalized, and give voice to cultural "others." Works by the already canonized George Eliot are reassessed, and the representation of women in the canonical novels of male writers William Thackeray and Henry James is explored.].
