Brand New Book ***** Print on Demand *****.Julie Stevens invites you to dance with her through more than 80 spontaneous and introspective compositions, choreographed in a brisk and powerful, page-turning, surprise-filled contemporary style that draws you quickly and deeply into her life experiences - and your own. Through an intimate and fearless examination of life's joys, struggles and mysteries - originally brought to life in a blogging exercise in the two years before she turned 50 - you'll be inspired to reflect on the questions, observations and attitudes relevant to your own footwork in the dance of life. Awkward moments, humbling admissions, audacious yearnings, stark observations, tender reckonings, quirky impulses and the visitation of grace make this a beautiful light-mixed-with-dark playlist suitable for anyone practicing new moves in the pursuit of becoming more.
