Xulon Press, United States, 2007. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the final book of the Christian s Promised Land series. In this series we have progressed from the elimination of traditional baggage and misinformation (Why Bad Things Happen to Good People) through restoration and revitalization of the message most prominently delivered by Jesus and His followers (Where s the Power At?). It is one thing to make the journey; it is entirely different to occupy the land. Here in Combat Christianity we delve into the advanced strategies and tactics of spiritual warfare as has never been done before. It is as if Sun Tzu met the Ephesians and the Corinthians and studied their ways and words. A great deal of emphasis is placed on motivation behind ministry and how that relates to the success of such ministry. It is also important to note that many tactics that Christian s have poorly understood and therefore inadequately implemented are expounded upon in some detail. It is in understanding appropriate tactics that allows for the expansion of strategies to rescue the oppressed, deliver the captive and conquer the enemy in your life as well as in your neighbor s life. If your heart has brought you to a place of joining the army of the Lord, then consider Combat Christianity your field-training manual. Welcome Aboard! Mark D. Bristow is a founder of Nehemiah s Gates Ministries. He resides in Mesa, Arizona and attends Living Word Bible Church.
