WITHOUT BORDERS: A WANDERLOVE NOVEL

Diversion Publishing, United States, 2016. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. For Annie London, a month in a Central American rainforest means handing out mosquito nets, giving medical aid, and teaching children about the birds and the bees. With any luck, it will also land her application in the accepted pile at a top-tier medical school. But as soon as she steps off the plane, Annie realizes her bug spray, feeble Spanish, and medical supplies won't help her deal with her new feelings for Felipe her best friend's older brother, who's much hotter than she remembers, and who also happens to be the doctor in charge of the trip. Gawking volun-tourists may keep his family's medical clinic afloat, but Dr. Felipe Gutierrez doesn't have to like them. Or the way they make snap judgments about his practice and the people he cares for. But when his old crush, Annie, shows up to volunteer, her killer curves and kind smile fan the embers of a flame Felipe didn't realize he'd been carrying. A flame that makes him question all his preconceived notions. As ideas and cultures clash, Annie and Felipe must decide how far outside their comfort zones they are willing to go both for their work and for one another. Without Borders had me laughing from the first chapter and finishing with a full heart. The attraction between Felipe and Annie is hotter than a month in a Nicaraguan jungle. Heger's debut is poignant and crackles with a wry, authentic, relatable voice that will appeal to anyone who's ever felt like a twenty-something fish out of water. - Lia Riley author of the Off the Map series Heger gave me a refreshing, romantic...
