On his return from abroad he was elected to the position of Professor of the Practice of Medicine in Medical Department of the University of Alabama at Mobile, where he is also engaged in the practice as a Specialist in Stomach Diseases. Dr. Harris is now one of the recognized authorities in his profession. Our school has ever given special attention to the health of its students. It believes in having them instructed along those lines so as to prevent sickness as far as possible. Dr. Harris s lecture has been specially helpful to us. It was written in such a simple style and with the absence of so many technical terms that it was readily understood and appreciated by every student. In order that our pupils may have further benefit from this able lecture Dr. Harris has been prevailed upon to give us a copy for publication, and it is found elsewhere in this issue of the Bulletin. Careful study of this address is recommended to all of our readers. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
