Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered what it must have been like traveling with Jesus during his three year ministry? How about the twelve men closest to Jesus, the ones he called his apostles, could they have been any more human? Well, ?In the footsteps of glory? you can make the journey and get a first person narrative from the ?rock? and first leader of the Christian church, St. Peter. This book takes you back to the miracles, trials and tragedies that became an everyday thing for the men who chose to follow Jesus, to his death, resurrection and beyond. Be there when Jesus raises Lazarus from the dead, saves Mary Magdala from certain death by stoning or walks on the Sea of Galilee. This book not only puts you there, but gives the reader a unique and delightful insight to what was on Peter?s mind, from the moment Jesus came aboard his boat until Christ called him home. This book will enlighten you with a new appreciation of how very human and just like us the Apostles really were. Men and women, even though they were with Jesus and witnessed everything, waffled back and forth struggling with their faith, right up until the end. The big difference is how they finished the race, all full of the Holy Spirit and living their lives for Christ. It is my hope that everyone who reads this book realizes that it doesn?t take super humans to make great Christians, just super faith.
