

## Sunshines Deception

By Agnes Danielak

America Star Books. Paperback. Book Condition: New.

Paperback. 185 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. Our minds often register when things aren't how they seem to be, but, more often than not, reality is exactly as it appears. The crux, of course, is deciding what to believe and what not to. Sunshines Deception is the tale of a quirky young girl who doesn't know how to process reality, who can't seem to figure out whether she should be viewing the world through a microscope, a telescope, or a kaleidoscope. Maybe she needs rose-colored glasses or infra-red goggles. In any case, she swims through analogies and self-made philosophies, engages in conversation with doctors and patients at the mental health center where she's gone to seek answers, and attempts to sort out an imaginative, intellectual world-view that enhances her spirituality and understanding. Or maybe that's not what she's doing at all. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
