Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 176 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Even if the title **Souls Are Real! Death Is Not!** did not shock you, the reasons for it will! Three recent revelations from science and medicine promise to add new meaning for our lives. These involve how we look at life and death. One is the clinical conclusion that near-death experiences (NDEs) are actual-death experiences (ADEs) these resuscitated survivors have truly died and their Heavenly visit is what we all can expect to experience when our bodies die. The second is the recently published book of remarkable experiences in which healthy family members perceptibly share in their loved ones death and the passage of his or her soul into a different realm of existence. The third is the discovery of a consciousness in the womb, distinct from the fetusa startling self-awareness far beyond the immature brain and in some aspects even exceeding the typical adult waking consciousness. This book will challenge even your most cherished beliefs and assumptions. The value of its contents for you and your loved ones will therefore depend upon your ability to sincerely and seriously contemplate the possible meaning of these ideas and concepts if any or all of them might be true. This item ships from La Vergne, TN. Paperback.
