Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Deliverance from evil, to Joy is by reasoning rightly. There is a right logic which governs the Universe. For the right logic to be proven right (it must be and) it is proven by all known scientific evidence and by Biblical evidence and by confirmed experiential evidence. THE DELIVERANCE explains simply, proves and applies that right way of thinking to the all major socioeconomic and political issues causing suffering in the world these days. The problems of violence, Islamist terrorism, poverty, high unsustainable wealth imbalances, unsustainable global trade imbalances, sexism, racism, hypocrisy about morality, ignorance of the Whole Truth, global environmental damage, religious conflicts and the political West vs. ISIL in Iraq, Syria, Libya, Somalia, Nigeria, Yemen vs. Iran; Eastern Ukraine, Russia; N. Korea, China; and the Jewish vs. Palestinian conflicts are addressed to advocate specific correct solutions that are provable. Not understanding what is right clearly and as a result not thinking rightly is the cause of all suffering. Understanding and applying that right logic at the personal level through right actions leads to being without anxiety, without stress, without sadness, without ignorance, without conflict, without suffering and being free, in liberty, sustained happiness and Joy in Peace. Consider THE DELIVERANCE a Unified Theory of Life that proves the prophesies of the prophets and of Christ Jesus. D. Donovan, Reviewer, M.B.R.
