Brand New Book ***** Print on Demand *****.How to Start Learning Italian Looking to learn Italian but dont know where to start? Do you need a road map to get you started? Or perhaps you are frustrated in your attempts and feel like you are getting nowhere. It could be that you are not going about it correctly. Many people need to learn the correct methods or the proper approach in order to properly learn. In fact, most people require a combination of methods to get them over the hump. Lets take the analogy of changing a flat tire. If you dont have a jack, then you probably wont get far. It does not matter how strong or intelligent you are. It does not matter how much money you have. The same holds true for language learning as well. Without the proper tools and techniques, you will not get very far. How many ways can you learn Italian? There are probably over 100 methods that you can use to learn a language. But Ive listed 37 of them the ones that I think are the most effective, easiest and quickest ways to learn. We all learn differently: some of us are visual learners - some of us are auditory learners. Ive been teaching Italian periodically for over 10 years and these are the methods and ways that I recommend to my students and to anyone else that wants to learn the Italian language. And these are the ways that have helped me reinforce and strengthen my own knowledge. Do I have to spend a lot of money to learn a new language? This is a question I get asked often. You dont need to spend a fortune to learn Italian. There...
