Figleaf Ltd., United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My upbringing could not possibly have prepared me for the life I have led. I bring the the tumultuous decade of the sixties back to you in this book. I actually knew 5 presidents, worked on Capitol Hill, White House Press charters with Pan Am, world travels, and spent those years with the most powerful, famous and accomplished people - including the political, CEO s, and movie stars. Sitting on the end of a diving board at Bing Crosby s pool that sunny day in Palm Springs while carrying on a conversation with Jack Kennedy, who was treading water beneath me wearing nothing over his birthday suit was crazy in itself. But not any more so compared to some of the other times I spent with him. Senator George Smathers of Florida, every bit as handsome and more debonair to me than Kennedy was my real introduction to the larger world out there. He became my paramour, my confidant, my father figure and was my boss on Capitol Hill. Being backed up in elevators and chased around desks by U. S. Senators became a way of life for me in the 60 s and the University of Capitol Hill taught me more than I learned about life at Florida State University. I should have paid Pan American Airlines for the eight years of opportunities they bestowed me. I had many eccentric experiences flying internationally which do not even include behind the scenes White House Charters all over the world with Presidents Kennedy, Johnson and Nixon. JFK personally had me assigned to these charters. I stood with the crowd at the Berlin gate for the Ech bin ein...
