Xulon Press. Paperback. Book Condition: New. Paperback. 262 pages. Dimensions: 8.0in. x 7.4in. x 0.7in. Please Dont Remove MarGreats Glasses! is an inspirational tale of redemption for young adults which demonstrates the healing power of Gods immeasurable grace. Timothy Clement was like every other high-privileged teenager. The only thing that mattered to him was parties, girls, money and his ride into Harvard Law School. Life was good. After a night of drinking and gambling, Timothy found himself on the wrong side of an illegal gambling scheme which would change his life forever. Losing his brother due to his own irresponsible behavior was the wake-up call he needed. After his brothers death, Timothys family abandoned him. He found himself imprisoned, broke and alone. After several years in prison, Timothy was paroled back in to society. Trying to fit back in would prove to be his biggest challenge. Just as he thought there was no hope of living a normal, productive life, a man named Jude took him in, gave him a place to sleep, and tried to teach him to put his faith in God. Timothy, being an atheist, would hear nothing of the sort. Can this God-fearing man show the atheist the road to eternal love and salvation Josh Baker lives in Southern California with his wife, two children and a yellow lab named Lily. Josh is the Director of Operations for a medical software company, and he also has 18 years experience in Healthcare Information Technology. He has written some short stories and a screenplay. As the Grand Prize Winner of the Xulon Press Christian Choice Writing Contest, he has been blessed with the rare opportunity to have one of his pieces published. As a result, Please Dont Remove MarGreats Glasses can now be shared with the world. [www. MarGreat...](http://www.MarGreat...)
