*****.Air Force Doctrine Document (AFDD) 3-10, Force

Protection, is the Air Force s operational level doctrinal publication on force protection. Force protection supports the core function of Agile Combat Support, and its supporting capability of Protect the Force. Protecting Air Force personnel and resources is critical to the Service s ability to perform its mission. Due to the increased lethality of international and domestic threats, it is imperative the Air Force take strong measures to protect our personnel and installations, both at home and abroad. How the Air Force protects its forces is critical to global engagement. An air and space expeditionary task force poised to respond to global taskings within hours must establish the means and will to fully protect its forces. Commanders at all levels must have an effective force protection program. Commanders are responsible for protecting their people and the warfighting resources necessary to perform any military operation. We are obligated by the moral necessity of protecting our Airmen to ensure force protection is a part of Air Force culture. The Air...
