Giles It is scientifically proven that humans use only ten percent or less of the capacity of their brains. Could it also be true that they only use a mere ten percent of their hidden talents and potential Is there a potential world-class gift or talent inside every human on earth Can greatness be buried under timidity, fear of risk, lack of courage, fear of adventure, lack of discipline, or lack of interest in maximizing ones potential. Is there a process for discovering the gift or genius inside you Can everyone bypass mediocrity and underachievement Having conducted over twenty-five years of research, James Giles releases powerful new information and strategies to help individuals search, discover, develop and master their talent and genius. Discover your Fire Inside and accomplish your predestined greatness for Gods Glory. Furthermore, you will learn about the force of creativity, the steps to becoming a master learner and the phenomenon of genius. After reading this book, you will learn that God has fully equipped you to stoke that fire inside of you. You will be well on your way to fulfilling your purpose. The Fire Inside. Some refer to it as a calling, purpose or destiny. However you put it, God puts every person on the earth to achieve something noteworthy. However, dont confuse achievement with celebrity or fame. A celebrity is someone who is famous for being famous. Instead I am talking about something much deeper, the fire inside, in the deepest part of you. It burns with unquenchable intensity. Every cell in your being is consumed with the passion for something. It may be music, physics, poetry,...
