Oxford University Press Inc, United States, 2014. Hardback. Book Condition: New. 7th. 236 x 201 mm. Language: English . Brand New Book. Tracing the exchange of ideas between history s key philosophers, The Great Conversation: A Historical Introduction to Philosophy, Seventh Edition, demonstrates that while constructing an argument or making a claim, one philosopher almost always has others in mind. It addresses the fundamental questions of human life: Who are we? What can we know? How should we live? and What sort of reality do we inhabit? Author Norman Melchert provides a generous selection of excerpts from major philosophical works and makes them more easily understandable to students with his lucid and engaging explanations. Extensive cross-referencing shows students how philosophers respond appreciatively or critically to the thoughts of other philosophers. The text is enhanced by two types of exercises-- Basic Questions and For Further Thought --and numerous illustrations. Also available to serve your course needs: The seventh editions of The Great Conversation: Volume I: Pre-Socratics through Descartes and The Great Conversation: Volume II: Descartes through Derrida and Quine Previous publication dates September 2010, September 2006, July 2001.
