*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Yet, we are on a spirit journey which is not about me as a person but is about me in relation with all others, human and non-human. The truth we are missing is that spirit happens in the relation between the other and me, or spirit happens in the relations of creation. In this section we explore spirit s presence in everyday life and the dynamics of the spirit journey. In section two, . . .
