Critias by Plato translated by Benjamin Jowett. Taking the form of dialogues between Socrates, Timaeus, Critias and Hermocrates, these two works are among Plato's final writings. In Timaeus, he gives a thorough account of the world in which we live, describing a cosmos composed of four elements: earth, air, fire, and water, which combine to give existence to all things. An exploration of the origins of the universe, life, and humanity, which outlines not just physical laws but also metaphysical and religious principles, it remained a paradigm of science for two thousand years. The mysterious preamble to Timaeus contains the first account in literature of Atlantis, while the fragmentary Critias, unfinished by its author, provides a spellbinding description of the lost continent's ideal society, which Critias asserts was created by the god-like children of Poseidon himself. About the Author: Plato (wide, broad-browed) (428-347 BC), was an ancient Greek philosopher, the second of the great trio of ancient Greeks, succeeding Socrates and preceding Aristotle, who between them laid the philosophical foundations of Western culture. Plato was also a mathematician,...
