Pub Date :2012-02 Publisher: Hubei Education Press Introduction the Books interpretation of the 2011 edition of curriculum standards is compiled by a group of expert teachers with rich teaching experience and good educational theory accomplishment from. It seeks to accurately grasp the basic spirit of the new version of the curriculum standards modified to help the majority of teachers understand and apply the curriculum standards to guide their teaching. and to shift its culture through a specific classroom teaching. In the preparation of the series. we have always maintained a belief: the efficiency of the teaching is of course important. but more important is the teaching of the soul. The so-called soul of teaching is in why we teach. We let students know. understand. master. will (operating skills) and what is for what. Only when all of our efforts are to effectively help students become happy life creators and builders of a better society. a free society. our education have a legitimate pursuit of value. Directory compulsory education ideological and moral curriculum standards (2011 version) interpretation first course of growth and improvement of the growth process of the ideological and moral course. ideological and moral curriculum standards Amendment perfect second course nature and concept. ideological and moral course nature concept the third design ideas with the framework of the ideological and moral course. the design ideas of the ideological and moral curriculum standards. curriculum goals and content of the logical framework of Title IV of the course content of the ideological and moral. ideological and moral course goals two. thought V implementing the recommendations of the the moral course curriculum content. ideological and moral teaching suggestions. ideological and...
