Brand New Book ***** Print on Demand *****.Excerpt from The Connecticut River: Importance of Opening It to Navigation From Hartford, to Holyoke, Mass Experience has demonstrated that the whole country is benefited whenever intercourse between its parts is facilitated, and its busy industrial and trade centers are brought importance of er. So well is this Waterways. established that it has become the settled policy of Congress to aid in every way in the increase of connecting lines of railroad and waterways, in order that the greatest freedom of transportation may exist between producers and consumers in all parts of the country. Furthermore it has been demonstrated that it is essential to this freedom of transportation that where it is possible the inland waterways of the country be made navigable highways open to anyone who will use them to carry the products of industry where they are needed. Open waterways cheapen the cost of transportation and keep it from monopolistic control; they develop and multiply industries and increase wealth and population and magnify the commercial importance of the regions they open to the world, and...
