Mill City Press, Inc., United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Dreams - sometimes they change the world, sometimes they just plain fall through. Over the course of a weekend at grandpa s farm near Luverne, Minnesota, 14-year-old Josh Lindstrom gets in touch with his dreams as they spend their time inventing, and grandpa relates the stories of some of the great Minnesota inventors. Success, however, does not come easily. So, is there anything to be learned from the inventors that preceded them, especially those of the aptly named Greatest Generation? Josh and his grandpa discover together that when it comes to dreams of inventing, failure is okay. As Minnesota inventor Earl Bakken had said, Failure is closer to success than inaction. Some surprises are revealed along the way, and the unexpected ending soars with a heartfelt and compelling, once-in-a-lifetime, encounter. An appendix featuring profiles of the Minnesota 80 serves as a resource of the state s key inventors.
