## YES - YOU CAN MAKE IT HAPPEN

Outskirts Press, United States, 2008. Paperback. Book Condition: New. 241 x 165 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Guide to Worldwide Peace and Harmony A true work of art! In YES, Juna Jinsei is masterful in creating an intricate, yet easily understood tapestry combining information concerning the various and sundry belief systems one may encounter during the many twists and turns this path we call life may present, with the discerning insight necessary to prevent one from being swayed by the dogma and superficiality of many of these systems. Further, YES offers an alternative way of celebrating life and creating value every day in any situation and dispelling the clouds created by misinformation and unfounded superstitions which are so readily used to control and manipulate everyday people. Bravo, well done! - Lorraine Leiser, MA, LCPC, CADAC, Psychotherapist, Central Professional Group, Psychology Faculty, College of DuPage I found YES to be profound on many levels incorporating personal experience along with the basis of self-understanding towards evolutionary growth, not only from an individual perspective, but with the intertwining of all life forms; including personal, gender, cultural, social and higher karmic or spiritual awareness. With this book I find there is the ability to understand all things and how they are interrelated. It aids the reader in finding their own internal awareness of peace and harmony, which will then reflect out into the world. I view this work as a great accomplishment that gathers life learnt understanding and knowledge and combines them into one manuscript, well done. - Nancy Arruda, Writer for OPEN To All Possibilities, owner of Universal Sky Many of us have moved forward towards a new stage of cultural awareness. As we all search for the means to experience new vistas of awareness and...
