The Office of the Architect of the Capitol (AOC) plays an important role in supporting the effective functioning of the Congress and its neighboring institutions. With a budget of 426 million, AOC is responsible for the maintenance, renovation, and new construction of all buildings and grounds within the Capitol Hill complex. GAO was mandated by the Legislative Branch Appropriations Act, 2002, to conduct a comprehensive management review of AOCs operations to help identify improvements in strategic planning, organizational alignment, and strategic human capital management to help AOC better achieve its mission and to address long-standing program issues. To address these objectives, GAO reviewed AOCs legislative authority and internal documents, interviewed key AOC officials and senior managers, and conducted employee focus groups.
