Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A book signing party is one of the best direct marketing methods for an author to make money with printed books. It has many advantages over traditional book signings and gives the self-published author a serious advantage in the book selling market. People are always excited to meet the author of a book. When those people are your family and friends, there s an even more special bond that gets them super excited to hear about the book that you wrote and published. Getting a signed book from you will make them ecstatic and will make them want to talk to others about your book. Instead of the traditional book signing where an author is totally taken outside of their comfort zone and thrown into uncharted marketing territory, a book signing party alleviates most of the author s reluctance and fear, easing them into book marketing in a motivational and inspirational way. A book signing party can be the most rewarding experience for you if you are releasing your first story. It not only introduces you to book marketing, it does it in a way that is not intimidating and with a lot more marketing power and reach than any direct marketing approach. It helps motivate you more because you are actually making money with your efforts. You will see that it is a fast, easy, and fun way to start making book sales and will help you build confidence within you that will give you the courage to expand out to a more public setting with your book signings. Book Signing Party - A Writer s Marketing System for Book Selling Success is a simple guide to...
